

CURRICULUM VITAE

26 July 2005

Michael P. Jones, M.D., FACP, FACG

I. Personal Data

Current Position: Associate Professor of Medicine
Northwestern University Medical School

Director, Gastroenterology Laboratory
Northwestern Memorial Hospital

Academic Office: Gastroenterology Laboratory
Northwestern Memorial Hospital
251 E. Huron St.
Galter Pavilion 4-104
Chicago, IL 60611
(312) 926-7719
Fax: (312) 926-6540
mpjones@nmh.org

Practice Address: 675 North St Clair Street
Suite 17-250
Chicago, IL 60611
312.695.5620
312.695.7095

DOB: [-----]

Citizenship: [-----]

II. Education

[-----] Fellowship in Gastroenterology
Medical College of Virginia
Richmond, Virginia

[-----] Residency in Internal Medicine
USAF Medical Center Wright-Patterson
Wright-Patterson AFB, Ohio

[-----] Internship in Internal Medicine
USAF Medical Center Wright-Patterson
Wright-Patterson, Ohio

[-----] Doctor of Medicine
Medical College of Virginia
Richmond, Virginia

[-----] Bachelor of Science (Biology/Psychology)
College of William and Mary
Williamsburg, Virginia

III. Board Certification and Licensure

Board Certification: Gastroenterology [-----]
Internal Medicine [-----]

Medical Licensure: Virginia [-----]
Ohio [-----]
Illinois [-----]

IV. Honors and Awards

Clinical Scholar Award, American College of Gastroenterology, 2004

Young Investigator Award, American Motility Society 2002
with [-----]

TOPS Quality Award, Northwestern Memorial Hospital 2002.

First Place Clinical Research Section, Associates Poster Competition, Ohio
ACP August 1997 with [-----]

Meritorious Service Medal, United States Air Force, June 1997

Winner, Associate Member Research Category, 1998 American College of
Physicians with [-----]

Finalist, Arthur Grollman Award for Outstanding Resident Research, [---]Air Force
Regional Meeting of the American College of Physicians with [-----]

First Place Clinical Research Section, Associates Poster Competition, Ohio
ACP August 1997 with [-----]

Winner, Ohio Society of Internal Medicine Research Prize, August 1997 with
[-----]

First Place Clinical Vignette Section, Associates Poster Competition, Ohio
ACP August 1997 with [-----]

Honorable Mention Clinical Vignette Section, Associates Poster Competition,
Ohio ACP August 1997 with [-----]

Honorable Mention Clinical Vignette Section, Associates Poster Competition,
Ohio ACP August 1997 with [-----]

Honorable Mention Clinical Research Section, Associates Poster
Competition, Ohio ACP August 1997 with [-----]

Winner, Associate Member Research Category, 1997 American College of Physicians with [-----]

Finalist, Arthur Grollman Award for Outstanding Resident Research, [---]Air Force Regional Meeting of the American College of Physicians with [-----]

Nominee, Major General Archie Hoffman Award for Excellence in Internal Medicine, 1997 Air Force Regional Meeting of the American College of Physicians

Outstanding Resident Presentation [---]Ohio American College of Physicians with [-----]

V. Military Service: Lt. Colonel , United States Air Force, 1982-1998

VI. Faculty Appointments

2003-present	Associate Professor of Medicine Northwestern University Medical School Chicago, IL
1999-present	Assistant Professor of Clinical Medicine Northwestern University Medical School Chicago, IL
1998-1999	Assistant Professor of Clinical Medicine University of Cincinnati School of Medicine Cincinnati, Ohio
1994-1998	Assistant Professor of Medicine Wright State University School of Medicine Dayton, Ohio
1993-1998	Assistant Professor of Medicine Uniformed Services University of Health Sciences Bethesda, Maryland
1991-1992	Instructor in Medicine Medical College of Virginia Richmond, Virginia

VII. Hospital Staff and Administrative Appointments

2003-present	Member, Northwestern University Institutional Review Board
2003-present	Chairman, Gastroenterology Laboratory Operations Committee
1999-present	Director, Gastroenterology Laboratory

	Northwestern Memorial Hospital, Chicago, IL
2000-2001	Director, Medical Student Clerkships Division of Gastroenterology and Hepatology Northwestern University Medical School
1998-1999	Director, Digestive Motility Center University of Cincinnati
1996-1998	Director of Resident Research, Department of Internal Medicine 74th Medical Group, Wright-Patterson AFB, Ohio
1995-1997	Director, Nutritional Support Services 74th Medical Group, Wright-Patterson AFB, Ohio
1994-1998	Consultant to the Air Force Material Command Surgeon General in Gastroenterology
1993-1998	Chief, Gastroenterology Services 74th Medical Group, Wright-Patterson AFB, Ohio
1992-1995	Member, Nutritional Support Services 74th Medical Group, Wright-Patterson AFB, Ohio
1992-1993	Staff Gastroenterologist 74th Medical Group, Wright-Patterson AFB, Ohio

VIII. Summary of Teaching Experience

1999-present	<u>Northwestern University School of Medicine</u> Responsibilities included daily supervision of Gastroenterology fellows, residents and students. Clerkship director for student rotations on gastroenterology and hepatology consult services (1999-2001). Attended and taught both diagnostic and therapeutic endoscopy as well as motility techniques. Supervised and mentored housestaff and undergraduates in clinical research Regular participant in Internal Medicine and Gastroenterology teaching conferences Participated in the Digestive Disease section of Introduction to Clinical Medicine for second year medical students. Group leader in M3 Physician, Patient and Society Course Frequently asked to participate in national and local continuing educational programs for gastroenterologists and primary care physicians.
1998-1999	<u>University of Cincinnati:</u> Responsibilities included daily supervision of Gastroenterology fellows, residents and students. Attended and taught both diagnostic and therapeutic endoscopy including enteroscopy and motility techniques.

	<p>Participated in the Digestive Disease section of Introduction to Clinical Medicine for second year medical students.</p> <p>Advisor for students participating in Gastroenterology Pathology section.</p> <p>Involved in student and resident research projects for Ohio ACP.</p> <p>Frequently asked to participate in local continuing educational programs for local gastroenterologists and primary care physicians.</p>
1992-1998	<p><u>Wright State University and Wright-Patterson Medical Center:</u></p> <p>Provided daily supervision and training of Internal Medicine residents and students as well Gastroenterology fellows rotating on the GI consult service.</p> <p>Director of Resident Research at Wright-Patterson Medical Center and mentored residents whose research projects won awards at both regional and national ACP meetings.</p> <p>Aided in the planning, participated in and presented at both Ohio and Air Force Regional ACP meetings.</p> <p>Participated in the planning and presented at Dayton Gastroenterology in Primary Care Symposium.</p> <p>Frequently requested for local continuing medical education programs for physicians and allied health professionals.</p>

IX. Professional and Scientific Activity

Memberships

Fellow, American College of Gastroenterology
 Fellow, American College of Physicians
 Member, American Psychosomatic Society
 Member, American Society for Gastrointestinal Endoscopy
 Member, Functional Brain-Gut Research Group
 Member, American Gastroenterological Association
 Member, International Foundation for Functional Gastrointestinal Disorders
 Member, American Motility Society
 Member, International Electrogastrography Society
 Member, Chicago Society for Gastroenterology
 Member, Society of Air Force Physicians (1992-1998)
 Alpha Omega Alpha
 Phi Sigma (National Biology Honor Society)
 Psi Chi (National Psychology Honor Society)

Activities

Reviewer for the following journals: Gastroenterology; Gut; American Journal of Gastroenterology; Journal of Clinical Gastroenterology; Digestion; Practical Gastroenterology; Digestive and Liver Disease; Neurogastroenterology and Motility; Alimentary Pharmacology and Therapeutics; Digestive Diseases and Sciences; Cleveland Clinic Journal of Medicine; Postgraduate Medical Journal; Journal of Pediatric Psychology; Anesthesiology; Journal of Clinical Outcomes Management; Lipids, British Journal of Health Psychology

2005	Session Chair, "Dyspepsia and Its Many Causes," Digestive Disease Week
------	--

2005-present	Member, Clinical Practice Committee, American Motility Society
2005	Invited Reviewer, NIH Center for Scientific Review
2004-present	Member, Public Affairs and Advocacy Committee, American Gastroenterological Association
2004	Session Chair, Stomach and Colon Plenary Session, Annual Meeting of the American College of Gastroenterology
2004-present	Member, Website Committee of the American Psychosomatic Society
2004-present	Member, Advance the Physician Scientist Committee of the American Psychosomatic Society
2001-2004	Chairman, Publications Committee, American College of Gastroenterology
1999-2001	Member, Publications Committee, American College of Gastroenterology
1999-2004	Member, Ad Hoc Committee on FDA Related Matters, American College of Gastroenterology
2002-present	Member, AGA Abstract Selection Committee on Dyspepsia
1997	Faculty and Session Chair, 39th Annual Air Force Regional Meeting of the American College of Physicians
1997	Planning Committee, Dayton Gastroenterology in Primary Care Symposium
1995	Planning Committee, Dayton Gastroenterology in Primary Care Symposium

X. Research Grants and Contracts

[-----] “Retrospective Study of the Use of Selective Serotonin Reuptake Inhibitors in Patients Admitted with Acute Gastrointestinal Bleeding.” Principal Investigator \$[-----]

[-----] “Evaluation of Duodenal Acid Exposure in Healthy Controls and Patients with Nonulcer Dyspepsia Using a Radiotelemetry pH Monitoring System” Principal Investigator \$[-----]

[-----] “Pilot study of the feasibility and efficacy of an over-the-scope, stepped dilator in the treatment of peptic stricture.” Principal Investigator \$[-----]

[-----] “Optimal dosing of 13C-Spirulina platensis in a gastric emptying breath test.” Principal Investigator \$[-----]

[-----] “Traditional and complimentary healthcare use in Irritable Bowel Syndrome.” Principal Investigator \$[-----]

[-----] “Evaluation of Duodenal Acid Exposure in the Gastric Antrum and Proximal Duodenum of Healthy Controls Using a Radiotelemetry pH Monitoring System.” Principal Investigator \$[-----]

[-----] “A Multicenter Trial Investigating the Impact of Rabeprazole Sodium (Aciphex) and Paroxetine Hydrochloride (Paxil) on Symptoms and Quality of Life in Ulcer-like Dyspepsia” Principal Investigator \$[-----]

[-----] The prevalence, severity and impact of patients’ anxiety on test performance and results in the gastroenterology laboratory” Principal Investigator \$[-----]

[-----] “GERD and Gastric Function” Unrestricted educational grant. Principal

Investigator \$[---]

[-----] Unrestricted Gift to facilitate ongoing studies of acid-peptic disorders
Principal Investigator. \$[-----]

[-----]“Double-blind, placebo-controlled dose-finding trial to evaluate the efficacy and safety of R149524 in subjects with symptoms of gastroesophageal reflux disease. (R149524-INT-1) Principal Investigator. \$[-----]

[-----]“Double-blind, placebo-controlled dose-finding trial to evaluate the efficacy and safety of R149524 in subjects with gastroparesis.(R149524-INT-2). Principal Investigator \$[-----]

[-----] “Electrosigmoidography in Irritable Bowel Syndrome Patients”
Principal Investigator. \$[-----]

[-----] “The effects of rabeprazole on gastric emptying and gastric myoelectrical function.” Principal Investigator. \$[-----]

[-----] “The effects of antireflux surgery on gastric function: pre- and postoperative assessment.” Principal Investigator. \$[-----]

[-----] “Gastric factors in antireflux surgery.” Principal Investigator \$[-----]

[-----] “Nonulcer dyspepsia: prevalence of gastric dysfunction and influence of Helicobacter pylori infection.” Principal Investigator. \$[-----]

[-----] “Lansoprazole vs ranitidine in the treatment of reflux-induced laryngitis” Co-investigator. \$[-----]

[-----] Establishment of Electrogastrography Controls and Assessment of Reproducibility”
Unrestricted educational grant. Principal Investigator \$[-----]

[-----] “Electrosigmoidography in healthy volunteers” Unrestricted Educational Grant
Principal Investigator. \$[----]

[-----] RAB-USA-4 (FAST Trial). Principal Investigator \$[---]

[-----]: “S3B30006: A one year randomized double-blind, placebo-controlled study of Alosetron (GR68755) in females with irritable bowel syndrome.” Principal Investigator \$[----]

[-----] “Resource utilization by outpatients with noncardiac chest pain” Unrestricted Educational Grant, Principal Investigator \$[----]

Presentations

1. **Jones MP**, Hawkins RA. The use of pulse dose methylprednisolone in a case of refractory Henoch-Schonlein purpura. Presented 5 March, 1989 at the USAF Regional Meeting of the American College of Physicians.
2. Vlahcevic ZR, **Jones MP**, Pandak WM, et al. Effects of extrahepatic cholestasis involved in hepatic cholesterol and bile acid metabolism. Presented at the Falk Symposium on Bile Acid Metabolism, Basel, Switzerland. October, 1992.
3. Ray ML, **Jones MP**. Combined pancreatic insufficiency and bacterial overgrowth presenting as cyclosporin malabsorption. Presented 27 February, 1994 at the 36th Annual Society of Air Force Physicians meeting.
4. Ray ML, **Jones MP**. Gastroesophageal fistula: a cause of recurrent reflux after Nissen fundoplication. Presented 27 February 1994 at the 36th Annual Society of Air Force Physicians meeting.
5. Franklin KJ, **Jones MP**. Colorectal Cancer Case Finding: A Cost Analysis. Presented 2 March 1996 at the 38th Annual Meeting of the Society of Air Force Physicians.
6. Burns K, and **Jones MP**. Pancreaticopleural Fistula: a Role for Octreotide? Presented 2 March 1996 at the 38th Annual Meeting of the Society of Air Force Physicians.
7. Smith BC and **Jones MP**. Primary intrahepatic Burkitt's lymphoma diagnosed on rounds: an uncommon tumor diagnosed by common methods. Presented 10 March 1997 at the Air Force Regional Meeting of the American College of Physicians.
8. Durning SJ, **Jones MP** and Kubik CM. Choledochocoele presenting as recurrent pancreatitis. Presented 11 March 1997 at the Air Force Regional Meeting of the American College of Physicians.
9. Rabine JC and **Jones MP**. Adjunctive use of an HMG-CoA reductase inhibitor in refractory bile leak following laparoscopic cholecystectomy. Presented 10 March 1997 at the Air Force Regional Meeting of the American College of Physicians.
10. Elsayed AM, **Jones MP**, Kubik CM and Fortney C. Fundic gland polyps and mixed bacterial colonization. Presented 10 March 1997 at the Air Force Regional Meeting of the American College of Physicians.
11. Mortara K, **Jones MP** and Herchline T. Group B streptococcal bacteremia following placement of a transjugular intrahepatic portosystemic shunt (TIPS). Presented 10 March 1997 at the Air Force Regional Meeting of the American College of Physicians.
12. Shay SS and **Jones MP**. Update on the diagnosis and treatment of *Helicobacter pylori*. Presented 9 March 1997 at the Air Force Regional Meeting of the American College of Physicians.
13. Trexler MF, Fraser TG and **Jones MP**. Pseudomembranous colitis due to clindamycin vaginal cream. Presented 11 March 1997 at the Air Force Regional Meeting of the American College of Physicians.
14. Witt MH, **Jones MP**, Durning SJ, et al. *Helicobacter pylori* in patients with acne rosacea. Presented at the 1998 Air Force Regional Meeting of the American College of Physicians.
15. Everhart AT and **Jones MP**. Heterozygous α -1-antitrypsin deficiency in autoimmune hepatitis. Presented at the 1998 Air Force Regional Meeting of the American College of Physicians.
16. Thobe NA, Pilger P, **Jones MP**. Primary hypothyroidism masquerading as hepatic encephalopathy: case report and review of the literature. Presented at the 1999 Ohio Regional Meeting of the American College of Physicians.
17. Nussbaum MS, **Jones MP**, Pritts T, et.al. Fundoplication restores the normal pressure-length

characteristics of the gastroesophageal junction. Presented at the 2000 Annual Meeting of the Society of American Gastrointestinal Endoscopic Surgeons.

18. **Jones MP.** Alternative access to withdrawn medications. Presented at the FDA Symposium of the American College of Gastroenterology 2001.
19. **Jones MP.** Nutritional Management of Gastroparesis. 2003 Meeting of the American Society of Enteral and Parenteral Nutrition.
20. **Jones MP.** Nutritional Aspects of Dysphagia and Esophageal Motility Disorders. 2003 Meeting of the American Society of Enteral and Parenteral Nutrition.
21. **Jones MP.** Gastrostomy and jejunostomy in the management of patients with gastroparesis. 2004 Meeting of the American Society of Enteral and Parenteral Nutrition.
22. **Jones MP.** The water load test: ready for the clinic? Digestive Disease Week 2004.
23. **Jones MP.** Evaluation of Ileus in "What should the Nutritionist Know About Feeding Tubes" 2005 Meeting of the American Society of Enteral and Parenteral Nutrition.

Invited Lectures, Visiting Professorships.

July 1994

Health Professions Officer Indoctrination Course. Maxwell AFB, ALA
"Medical Practice in the Air Force"

Surgical Grand Rounds, Wright State University Dayton, OH
"Endoscopic Management of Bile Duct Injuries"

October 1994

Division of Gastroenterology, Wright State University Dayton, OH
"Autoimmune Chronic Active Hepatitis"

Department of Family Practice, Ohio State University Columbus, OH
"Diagnosis and Management of Acid Peptic Disease"

February 1995

Department of Internal Medicine, Riverside Methodist Hospital Columbus, OH
